Note: PGCPFM is neither a degree nor a diploma and is not recognized by either the All India Council for Technical Education (AICTE) or the University Grants Commission (UGC).
About the Programme:

Post Graduate Certification Programme in Financial Markets (PGCPFM) is a joint initiative by Anna University and NSE Academy Ltd. This is an executive weekend program, highly specialized in Financial Markets. PGCPFM is of 11 months duration, 21 papers, divided into 3 trimesters. In addition to the PGCPFM certification, participants will also receive 8 Regulatory certification in financial markets. They will also be exposed to the best market practices.

Why PGCPFM?

- Joint Certification from PSGIM and NSE Academy Limited
- Industry benchmarked curriculum
- 8 additional Regulatory certifications
- Learn about various financial products and analysis techniques
- Experimental learning, industry experts as trainers
- Enhanced skill set for working professionals in financial sector
- Multiple career options in financial markets
- Market skill development – simulated / live market

Potential Career opportunities of PGCPFM Participants:

The demand for the financial market professionals remains strong in banking, investment and advisory in capital, currency, commodity, etc. The candidates of PGCPFM with regulatory certifications in financial markets, are likely to be employed by Banking Institutions, Assets Management Companies, Consulting Firms, Private Equity, Venture Capitalist, Regulators, Credit Rating Agencies, Hedge Funds, Technology, Insurance, NBFCs, and Financial Services Institutions etc.

A qualified person can be offered various designations like associates, analyst, relationship manager, analyst-equity, analyst-technical, portfolio manager, risk manager, content developer, faculty, financial journalist, operations manager etc. Many participants are able to launch their own ventures as well.
