NSE Academy starts PG course in banking

NSE Academy & Moody's Analytics have launched a joint PG Certificate Programme in Investment Banking and Research (PGCP). NSE said it has a global curriculum, with career options in investment banking, research and other domains. The courses will be of 11 months' time, spread over three trimesters. Each trimester will have nine papers. The certificates will be awarded by NSE Academy and Moody's Analytics. The admission to full-time PGCP will start in June 2018, while the first batch of the weekend PGCP started in New Delhi on January 27.
