NSE SUPPORTS REHABILITATION OF DIFFERENTLY ABLED UNDER-PRIVILEGED CHILDREN

National Stock Exchange of India Ltd (NSE) under the aegis of Project Chunauti, is supporting rehabilitation of 105 underprivileged differently abled children in Mumbai. The objective of the project is to rehabilitate the differently abled children through integrated and intensive counselling, education and basic life skills sessions.

NSE has been associated with Project Chunauti since more than two and a half years, and has further committed its support for another five years from 2018.
